Real Estate

Ville heads our Energy practice. He assists clients in M&A, projects and other transactions with a particular focus on the energy and infrastructure sectors. Ville has vast understanding of specific features of the energy sector through regularly advising foreign and domestic investors and sponsors within this field. Ville has been ranked as a leading expert within his field of expertise for many consecutive years by all international vetting institutes such as Chambers Europe and IFRL1000.

Educational background

Master of Laws, University of Helsinki (1999)

Studies at Robert Schuman University, France (1996 - 1997)
